ANNOUNCEMENT

Having concluded to retire from farming and stock raising, I will sell at public auction, my entire herd of Short-Horns, consisting of 30 head of cows, bulls and heifers. A careful perusal of the pedigrees herein contained is respectfully solicited. Their past and present usefulness will be a sufficient recommendation, and no warranty will be given.

To all who are interested in a better class of cattle I send you this catalogue inviting you to attend my sale of Short Horn Cattle. I am not going to claim that I have the best herd in America. But will say that I have a well bred herd. I have not fed this offering to see how fat I could get them but fed them for future usefulness, ready to go out and do their owners the most good and continue to improve.

The future cattle business looks particularly bright and there will never be a better time than now for the farmer and especially the young man starting to invest in a few pure bred cows. There is no other breed to put on your farm that will equal Short Horn cattle for all purposes.

We will be pleased to meet you at the farm Tuesday, Dec. 16.

Stock put on cars free of charge under the supervision of the purchaser, and all animals will be at purchaser's risk after bid off.

TERMS.—Twelve months' credit on approved notes at 8 per cent interest. Two per cent discount for cash.

I will also sell same day all my horses, implements, grain, hay, etc.

Sale to begin at 10 o'clock sharp. Lunch wagon. Cattle will be sold after noon.

W. H. S. BARNETT.
